

THE ALUMNI CAMPAIGN FOR COOPER UNION

Pave the Way

An open and expansive space carved into the setbacks on the north side of the building, the Alumni Roof Terrace provides rare, outdoor urban space that offers a spectacular view of the Foundation Building and historic Cooper Square. Easily accessible from the main elevator landing on the eighth floor, the Terrace is both an everyday social destination and a stunning venue for special events.

The Terrace bears the engraved names of alumni and their families whose generous contributions have helped to make this new academic building a reality. By making a pledge of \$2,500 to \$20,000, which may be paid in annual installments by December 2013, individual alumni will be honored with a permanent tribute in stone.
