Fall 2009 South Dakota Art Education Conference

Aug 16, 2009

Dear Representative,

Plans for the fall 2009 South Dakota Art Education Conference are well underway! This event involves both art specialists (k-12) and classroom teachers. Our primary focus is to share successful lesson plans and present new and unique uses for materials and products through round-table and hands-on workshops. The conference dates are October 9-10, 2009 in Chamberlain, South Dakota. We anticipate approximately 80 -100 participants.

First, I am organizing an information packet to be presented to each participant. The pack will contain brochures, catalogues, sample products, etc. representing a variety of art supply distributors and companies that supply a service to the visual arts. Secondly, door prizes will be presented throughout the two-day event and I am seeking products to be used for this purpose as well. Finally, we will be organizing vendor booths to be open Friday from 8 – 2:00.

If your organization would like to be represented at our conference, your contribution of an item for the information pack and/or door prize item would be greatly appreciated. If you are interested in participating, please contact Marica Shannon at 605-996-1588 or e-mail marica.shannon@k12.sd.us.

Please send your contributions by Oct. 1st, 2009 to:
