

Nationwide fixed financial products - Life Insurance and Annuities

As a University of Hartford Alumni member, you can take advantage of no cost or obligation consultation through the Nationwide Consumer Solutions CenterSM - Preferred Accounts Team (CSC-PAT). By doing this you will be able to take advantage of innovative fixed financial products that are tailored to your specific needs. Our experts do not charge consultation fees because they are salaried professionals who do not receive commissions. Access the Nationwide CSC - PAT today to take advantage of innovative fixed financial products!
